

My dear Little Flower,

“The hall was filled with guests!” (Luke 14:9b). The Church of the Little Flower was beaming with the energy of families last Sunday, as we kicked-off the Monthly Sunday Family Mass. I would like to thank the parents and grandparents who have come to bring their children back home to church - to the Sunday Mass. The gospel reading spoke about the King who invited guests to his son’s wedding feast, which was very appropriate for the occasion. Fr Matt and I invited all of you - families - to come; and you have responded positively to that invitation to share the Meal at the Best Table in Town (The Table of the Lord). You cannot imagine what new life and energy you bring to the Church of the Little Flower when you are present with your families! We continue to receive the gift of you!

I would also like to acknowledge and thank everybody for participating in our 7th Golf Outing, in memory of Ally Cabe. We had good weather for it, and it was great to be with everyone. Special thanks for the Golf Team that made the event happen and for all the participants, and especially our sponsors for this year.

Watch out for the coming of our “Saints and Souls” events as we enter the new month of November this year.

Let us continue to pray for our brothers and sisters in the Middle East and Ukraine who are suffering because of war and violence.

Your pastor and co-pilgrim,
Fr JC Merino

Last Sunday the Kindness Team made care packages for our college freshmen. They set up an assembly line to get in done in less than 20 minutes! They also separated out into teams to create work plans and organize fund raisers and service projects for the next few months. Looking forward to sharing our service projects and fundraisers with our Berkeley Heights community!
