

My dear Little Flower,

The Paschal Mystery is such a huge word! It means living out the pilgrimage of Christ's Death and journey to New Life. It means what it means for us today: experiencing **the Divine Mercy** at work in our lives!

I would to thank Gina Ferraioli (MC) and our Liturgical Team, Music Team, Environment Team, Altar Servers and Lectors. You have all made our celebration of Holy Week and Easter Sunday beautiful and meaningful for everyone. Here are some of the highlights:

From Death to New Life! Easter changes everything!

The Lord is truly Risen! As He said He would! Alleluia!

Your parish priest,
Fr JC Merino
