EUCCHARISTIC CONGRESS**

My Dear Co-Pilgrims on the Eucharistic Journey,

Our pilgrimage starts with Fr Matthew sending me off to the EWR to beat the 10th National Eucharistic Congress in Indianapolis.

The theme of Day one is "From the Four Corners". Today, the four segments of the National Eucharistic Pilgrimage converges at the designated location, serving as a potent symbol of unification and communion of the Church in pilgrimage, prayer, and participation.

Today, as a unified Church, we shall present our vulnerable and imperfect hearts to the triune God who holds us in profound love. Mirroring his actions during the journey to Emmaus, our Lord will lend a listening ear to our concerns and, once again, reveal himself through the breaking of the bread.

Your parish priest,
